If the behaviour of a person in your game makes you uncomfortable. Point at this card or raise it with your GM or a Committee member or the Welfare Officer

If you have an issue with the way the game is being played. Point at this card and call a timeout.

- Cheating
- Character v Character conflict
- Destruction of story agency

Your group will stop, and discuss, openly and out of character what is happening. We will ret-conn events as needed to maximise everyone's ability to contribute & enjoy and negotiate the stakes of any direct character conflict.
